## Urgent "Call to Action"

NO PRISONER WITHOUT HOPE

May 25, 2011

Dear Friend,

Three men with nervous sweaty hands but bold hearts shared their testimony at the Transition to Community's 2<sup>nd</sup> Annual Awareness banquet. "My life was touched and molded by Transition to Community. I am glad they visited me in prison and were there for me when I was released" Chris said. "Transition to Community showed me the love of Christ and is continuing to be an encouragement, even though I am not in the program anymore".

Matt, Will and Chris are three men who have been changed because of Jesus Christ working through Transition to Community, as their testimonies give witness. But, there are many other men like Matt, Will and Chris that need the shepherding touch of Jesus Christ. You can partner with Transition to Community to make the dreams of these men come true; that they have a chance to be molded and changed?

Transition to Community has been on a financial diet over the past 2 years leaving us weakened and malnourished, in need of a boost. I believe there are many of you who understand the command of the Lord from Matthew 25: 35-36 to visit those in prison, feed the hungry, look after the sick, invite in the stranger, and clothe the naked. These are the men that Transition to Community connects with every day. They are spiritually and often physically sick. They are often strangers even to their own family. They are starving for unconditional love, need food and clothing, and of course they were in prison.

Would you please partner with us in our first annual Matthew 25 "Call to Action" starting May 25 and ending June 30? This is a cry for help; we don't want to have to stop our services to these men, so we need your help right now! You can invest in your inheritance in heaven and be called blessed by the Father by giving to the Lord through Transition to Community. You give the seed of finances and Transition to Community will do the work of planting and harvesting the seed.

Some of you can give \$10,000, some of you can give \$1,000, some of you can give \$100, some of you can give \$10 and some of you can give \$1. Ask the Lord how he wants you to feed, visit, clothe, heal and love Him and then give according to his prompting.

God may also be calling some of you to partner with Transition to Community in the planting and harvesting of the seed. Mentoring, providing transportation, prayer, financial counseling, fundraising, data entry and many more services are how you can help plant and harvest the seed.

We look forward to hearing from you, so please send a gift to Transition to Community PO box 1545 Lancaster, Pa 17608, give a call at 717-394-6780 or give online at [transitiontocommunity.com](http://transitiontocommunity.com). Thank you for giving the seed and heeding the "Call to Action".

In faith,

*Steve Morris*
